

Career-Technical Education Technical Certificate Degree Plan

AUTOMOTIVE MECHANICS TECH. PROGRAM CHECK SHEET | AUTM Major | CIP Code: 47.0604

Automotive Mechanics Technology is a program of study that prepares individuals to engage in the servicing and maintenance of all types of automobiles. Instruction includes the diagnosis of malfunctions and repair of engines, fuel, electrical, cooling, brake systems, and drive train and suspension systems. Instruction is also provided in the adjustment and repair of individual components such as transmissions and fuel systems.

Admission Requirements

Students must submit a composite score of 14 or higher on the ACT. Students who do not have an ACT score, must score at the 9th grade level or higher on the TABE, Form 9/10 or have permission of instructor to be admitted to the program. Students who are returning to the program after an absence of a semester or more must graduate under the current catalog requirements. **Students must have a valid driver's license to enroll in this program.**
